Chateau Malartic Lagraviere White

Vinbeskrivelse:

96 point | James Suckling:

"Attractive, fresh-lemon and grassy nuances with wild herbs and slightly flinty elements, too. The palate has such intense and fresh acidity. Fine lemons and limes and a thrillingly dry, long finish. Drink now, but better in three years."

93 point | Jane Anson, Decanter:

Sometimes a little aggressive when young, Malartic softens after a year or so. Lots of punchy Sauvignon character on the nose. Intense, focused and lively palate, with an intriguing cedar quality. Finishes bone-dry.
