Vinbeskrivelse:

95+ POINT | Robert Parker WA

"With a gorgeously evolved, extremely complex bouquet of forest floor, spring flowers, lead pencil shavings and red and black currants, this full-bodied, dense, ruby/plum/purple-colored wine hits the palate with an opulent, fleshy, full-bodied richness, silky tannins, and a very layered, profoundly concentrated style that is, at the same time, both powerful and sublime. This gorgeous wine from proprietor Henri Lurton will benefit from 3-5 years of cellaring and evolve for 25-30 years."

94 POINT | James Suckling

"Pretty red fruits such as cherries in this wine with chewy tannins and fresh acidity. Toasted oak too. Needs time to come together. Dense and complete for this estate. Better than 2009. Better after 2016."

93 POINT | Vinous

"The 2010 Brane-Cantenac is consistent with previous notes, although I observed an accentuated bell pepper scent on the nose. The palate is very well balanced, typically "classic " in style with quite rigid tannins indicating that this needs a few more years in bottle. Tasted from an ex-château bottle at the BI Wines & Spirits 10-Year On tasting."

93 POINT | Wine Spectator

"This is dark and grippy, with charcoal, roasted bay and chestnut leaf notes fronting a muscular core of steeped black currant, loganberry and black cherry flavors. Taut plum pit and iron hints thread the finish, revealing a lingering charcoal note. Very solid and suited for aging. Best from 2015 through 2028. 10,000 cases made."
